VOLUME SIXTY-FOUR—NUMBER THIRTY-NINE

GRAYLING, MICHIGAN,

THURSDAY, SEPTEMBER 24

O. P. Schumann, Editor and Proprietor.

At Random

Just why should the barbers pick Thursday afternoons to close?

Especially when that's our day for a haircut?

Anyway we save at least 50c for one day.

What's the matter with Keyes?

Being an osteopath shouldn't bar him from becoming a good lieutenant governor.

Rainbow in the morning is—

A sailor's warning!

That proved true Tuesday when a double rainbow appeared.

But rainy days are sleepy days

—if you have time.

No need to talk sense to a pretty girl, so it has been said.

So then why talk sense at all?

More tiring than a hard day's work is a four-hour banquet.

It's a busy place at the airport these days—and nights.

Hotels, rooming houses, restaurants and trailer parks are likewise busy.

Any houses to rent?

The demand is great.

A lot of clerks and stenogs have gone airport job-minded.

Root for your home footballers Friday.

Butch's boys tackle Lake City that day.

Only two home games his season. Don't miss either.

Loss of Giltner at right half-back is unfortunate.

Broken leg at Alpena last week keeps him out of the line-up for the season.

The above request to buy War Stamps and Bonds isn't intended for some other person—it means

YOU and ME, and EVERY OTHER FELLOW.

Don't forget that Crawford County MUST raise its monthly quota.

Every time you go into a store or place where stamps are sold, ask to have your change in STAMPS.

Have you pledged to buy at least one stamp each day? PLEASE, PLEASE do so today.

Our boys are at the front doing their best. We're not half fair if we fail to buy stamps daily, and Bonds often.

Don't watch to see if your neighbor buys stamps—watch yourself. It's your conscience that's at stake.

Buy more Bonds than you think you can afford to buy. Even that is hardly enough.

BUY UNTIL IT HURTS!

SEND-OFF BANQUET HELD TUES. EVENING

More Crawford County men were inducted into the armed service, leaving Grayling Wednesday. They are as follows:

Grayling—Archie J. Woskoski, Edwin A. Bowen, Leslie R. Hunter, Richard J. Lowe, and Esmond L. Houghton.

Frederic—Alan D. Leng, Edward H. Jungman, and Alvah F. Hopkins.

Beaver Creek—Henry J. Zacek, George J. Bentley and Harry L. Canfield.

Maple Forest—Lester Bailey, Lovells—Dewey R. Hanna.

Samuel J. Cloutier—Whispering Pines, Roscommon, who went directly to Camp Custer without taking his furlough is also included in this group.

The beautiful Masonic Temple banquet room was opened for the farewell banquet Tuesday evening, the dinner being served by the members of the Eastern Star lodge. About 125 attended the fine banquet. It was delicious and nicely served.

Dr. J. P. Cook was master of ceremonies and was assisted in presenting the honored guests by Alfred Hanson, chairman of the county draft board who also presented a service flag to each selectee to be given to his family.

Robert Ivory, popularly known as "Washboard" who was among these being selected into the army, lead in singing a number of songs. Mrs. Clippert accompanied on the piano.

Mrs. H. W. Wolff of New York City and Grayling, who had been active in USO work in New York City, related quite extensively

and interestingly her experiences in the work as chairman of the service men's service in New York City. It was an inspiration to all who heard her to learn of the wonderful things that are being done for the men in the service. In closing she assured those who entered the armed service that they would always find entertainment and a warm welcome at any of the many USO clubs.

Corp. Bill Joseph, son of Mr. and Mrs. A. J. Joseph, home for a few days from Camp Custer, also spoke well of the USO service.

Major John Erkes, co-ordinator for 30 draft boards in Northern Michigan, gave the selectees who were about to enter the service some excellent suggestions. "Do not" he said, make the mistake of getting off on the wrong foot. Don't go to camp with the idea that you are going to do certain things; instead go there to do everything that is requested of you whether you like it or not. He told of some of his experiences of thirty years of soldiering. Opportunity awaits for all those who have it in them to get there, but it requires hard work and unfailing co-ordination with the army officers and army regulations, he said in substance.

Major Erkes spoke of the responsibilities of induction boards, and of the strict regulations that have to be observed in spite of what some selectees may think is right. He said that Crawford County board was just about the finest one in Northern Michigan and operated most conscientiously.

The meeting was closed with singing "God Bless America." The new selectees left Wednesday for Camp Custer.

Aged Man Dies Of Exposure

AGED MAN DIES OF EXPOSURE.

Robert Giffin, age 78 years, passed away at Mercy Hospital at 7:45 Tuesday morning where he had been taken Sunday afternoon suffering from exposure. Mr. Giffin, who was in ill health left his home Friday afternoon at about four o'clock and altho searches had been on the job from Friday night, he was not found until about two o'clock Sunday afternoon. A searching party of 40 men had been scouring the woods in the direction in which he was seen walking Friday afternoon, carrying a pitchfork, and Stanley Madsen one of the party came upon him in the woods 1 1/2 miles south and a half mile east of Grayling. He was so weak from lack of food and exposure to the very chill weather and cold rain that had fallen Friday night and Saturday, that it was necessary to make a stretcher of blankets to carry him from the woods.

Surviving the deceased besides the son James is a son Frank of Detroit and a daughter Mrs. Lena Robinson of Lewiston. Funeral services will be held this Thursday afternoon at 2:00 o'clock from the Grayling Funeral Home, Rev. Alva L. Calkins of the Free Methodist church officiating. Interment will be in Elmwood cemetery.

Mr. Giffin, who was employed as a section hand for the Michigan Central until he was pensioned off some time ago, had resided in Grayling for the past 35 years. He was a fine old gentleman, a hard worker, took care of his obligations and was honest and upright in all his dealings.

MRS. H. W. WOLFF ENTERTAINS.

Last Thursday evening Mrs. H. W. Wolff entertained 10 guests at a dinner of lovely appointment. Friday afternoon she was hostess to several ladies at a delightful tea.

To Speak At Traverse City Oct. 2

Harry F. Kelly, candidate for Governor, and Judge Homer Ferguson, candidate for United States Senator, will be speakers at a gigantic western Michigan Republican rally at the Park Place Hotel, Traverse City, Friday night, October 2, at 7 o'clock.

This rally is sponsored by the County Committee of Grand Traverse county in conjunction with the County Committees of twelve adjacent counties.

Both Kelly's and Ferguson's addresses will go on the air from the banquet over radio station WTCM, according to Senator James T. Milliken, who is assisting with the arrangements.

It is expected that both candidates will sound battle cries and make clear their positions on important issues involved in the campaign. Advance sales of tickets for the banquet indicates a capacity audience. Special entertainment is being provided by the committee.

G. H. S. TO Play Lake City Here Fri. Night

Lose to Alpena 7-6.

The first of two home football games will be played Friday afternoon when Grayling High will meet Lake City. The game is scheduled to begin at 2:30 and will be played at City Tourist Park. Lake City is reputed to have quite a ball club so the fans in Grayling can look forward to an interesting tussle.

Last Friday in a night tilt at Alpena the locals lost a thriller to the Thunderbolt varsity, 7-6, in a hard fought battle. The locals displayed great football in losing to the Alpena eleven and the fifteen Grayling men who saw action sounded a warning for future opponents. The tackling was sharp and the blocking was good. On a weak side play, Alpena scored two seconds before the close of the first half and converted the extra point by placekicking. Late in the third period Grayling worked the ball goal-wise and scored on an off-tackle slant but failed to convert which was the margin of victory. Play was even throughout neither club dominating the play at any time and each took advantage of their big scoring chance. Early in the first quarter, Grayling's fast stepping right half back and ace pass receiver, Bob Gildner, had the misfortune to suffer a fractured bone in his left leg and will be out for the season. The loss of Bob has left a big hole in the Grayling eleven, a spot he filled so capably as a freshman last year. Team mates and friends are glad to learn that Bob is coming along nicely.

In practice this week the boys are working hard to be ready for Lake City. Delbert Case, the pony back who replaced Gildner at Alpena is finding competition from Gierke, converted end, Entsminger, a newcomer; Corwin, a husky fullback, and Snock, a speedster, for Gildner's old post. At the other positions for Friday's home opener the probable line-up will be: Burns and Babcock, Ends; Harold Hatfield and Wheaton, Tackles; James Kolka and Sorenson, Guards; LaChapelle, Centers; Captain, Clark, Quarterback; Ross Thompson, Halfback; and Sandy Thompson, Fullback. It is expected that Coach Cornell will use many of his reserves to get a line on his men in action before the start of conference play the following week.

Remember the time—Friday at 2:30 for the home opener.

Chalker Funeral Largely Attended

Funeral services for Mrs. Edwin S. Chalker were held Wednesday, Sept. 16th at St. Mary's church, Rev. Fr. Francis Brangan officiating. Interment was in Elmwood cemetery. Acting as pallbearers were old family friends, W. T. Kirkby, Kalkaska; Frank Sales, Jerry Sherman, J. L. Martin, Carl Parsons, Albert Charron. Attending the funeral from out of the city other than the members of the family were Mr. and Mrs. William Chalker and daughter Beth, Mrs. Veleline Ames, Mrs. Frank Bracken of Detroit, Hugh Campbell, Gaylord; Mr. and Mrs. George Woodard and family; Mr. and Mrs. Dan Murphy, Fife Lake; Mrs. Warren Vallad, Mr. and Mrs. William T. Kirkby, Kalkaska.

Anna Vallad, born in Frenchtown, Ohio, January 4, 1886 was the daughter of Isadore and Rosie Vallad. At the age of seven years which was in 1893, she with her parents came to Crawford County and located on a farm in Beaver Creek. Five years later the family moved to Maple Forest, where she attended the Woodburn school. On November 9, 1911 she was united in marriage to Edwin S. Chalker, who with a daughter Mrs. Hugh Campbell Jr. (Fern) of Gaylord and a son Edwin W. survive. Also so her mother Mrs. Vallad, two sisters Mrs. Harry Laine of Standish and Mrs. Ed Houcks of Kalamazoo and one brother Fred Vallad, Pinconning. And there are two grandchildren, Kay Ann and Hugh Edwin Campbell.

Having resided in this county for close to half a century, and in Grayling for 22 years Miss Chalker was very well known and had a lot of admiring friends. Her quiet, unassuming manner, and her pleasant smile made her a favorite wherever she went, and she was a devoted wife and mother. For years Mrs. Chalker was a member of the Ladies National League and an active member of the Grayling Rebekah Lodge.

Hosts of friends extend sympathy to the remaining members of the family in their sad bereavement.

Bureau of Social Aid Will Meet Here

At a meeting of the Bureau of Social Aid held in Grayling Wednesday, eight counties were represented.

The meeting was held at the court house and Miss Elaine McKay assisted by Paul G. Conlon demonstrated the "Talking Book" a newly invented and developed machine to aid the blind. It operates on much the same basis as our portable phonograph, and is much the same size. Records of books of all types are available for this machine allowing the blind to enjoy all of the modern fiction as well as biographies, dramas, and histories.

These machines are available to the blind at no cost what-so-ever as long as they care to use them. In this section they may be gotten from the Institute of Saginaw, and from there also may be borrowed the records of almost any book the particular individual concerned may desire.

Braille books are still of much use, and still much used; the "Talking Book" is not meant to take the place of these or the many other recreations the blind are able to participate in and enjoy, but instead to give them a start in many cases and for self-improvement and pastime only in many others.

Miss McKay gave a very interesting and simple talk which everyone present was able to enjoy and understand and Mr. Conlon demonstrated the machine.

During the noon hour the group was served luncheon at the Michelson Memorial Church by the Junior Aid Society.

Other officers returned were Stanley Hummel, regular delegate; Joseph Latzcek, alternate delegate; J. D. Brinnett, secretary-treasurer; Pat Bryson, vice-chairman; and Alfred Letson, second alternate.

Community A. A. A. elections were held with the following results:

Crawford County
Beaver Creek, Grayling, South Branch—Chairman, Charles Corwin; vice-chairman, Frank Millikin; member, William Fairbourn; alternates, Roy and Frank Millikin; delegate, Charles Corwin; alternate, Halmer Mortenson.

Frederic, Maple Forest, Lovells—Chairman, Stanley Hummel; vice-chairman, Richard Babbitt; member, Charles Owen; alternates, Alvin Richter, Charles Feldhauser; secretary, Babbitt; delegate, Hummel, alternate, Ray Murphy.

The Weather

Ugh! What weather. Cold rains and a real killing frost Tuesday night chased the thermometer down to 25 Wednesday morning, and finished the gardens, both vegetable and flower in this section. This is very unusual for September when balmy weather is expected. This was our first taste of fall weather, and fires in furnaces and stoves and snow suits for the kiddies are quite the thing.

Parties Hold County Conventions

McNEVEN HEADS DEMS; AND WELLS THE REPUBS.

County conventions were held by both the Democratic and Republican parties when delegates were selected to attend the state conventions.

The Democratic group held their convention Saturday and selected Harold (Spike) McNeven and Ronnow Hanson to attend the Democratic convention to be held in Grand Rapids, Friday.

The Republicans met Monday afternoon and selected Thomas J. Wells and Earl W. Peterson to attend the Republican State convention at Detroit, Friday.

Harold McNeven was appointed county chairman, Bessie Peterson vice chairman, James Post, Jr. secretary and Ronnow Hanson, treasurer. No resolutions were adopted by the Democrats.

Thomas J. Wells was elected county chairman, and Earl R. Burns, secretary-treasurer. The following resolution was unanimously adopted at the Republican county convention:

It is with great satisfaction that your committee endorses the candidates elected at the recent Primary election. That is especially true in the nomination of that great jurist, Homer G. Ferguson for the office of United States Senator. Also the nomination of Harry F. Kelly for Governor, who has made such phenomenal success of the office of Secretary of State. The same is true of the nomination of Dr. Eugene C. Keyes for Lieutenant Governor; Roy O. Woodruff for Congressman of the 14th District; Ben Carpenter for State Senator; William Green for State Representative; Edward Janis for Prosecuting Attorney; John A. Papendick for Sheriff; and Norman Butler for Coroner.

We feel that just at this time our Country needs just such men as have been placed in nomination for these important National, State, District and County offices. Each and every duly nominated candidate for these respective offices are especially qualified for the responsibilities the office require.

With such great leaders to carry the banner of the Republican party, we can see only successes at the general election to be held November 3rd.

The Republican State Convention will be held in Detroit next Friday. At that time candidates for the offices of Secretary of State; State Treasurer; Auditor General and Attorney General will be placed in nomination. We recommend that the delegates to be elected from Crawford County go to the State convention instructed with the plans that may be favored by our candidate for Governor Harry F. Kelly.

We have the utmost faith in the candidates of the Republican Party and feel that Michigan will experience the good that can come only from officers who put State Affairs ahead of party politics when they assume control of State affairs.

Our utmost effort and support in the election of our respective candidates is hereby pledged.

Signed: Carl W. Peterson, Norman E. Butler, Committee on Resolutions. Dated at Grayling, Crawford County, Mich. this 21st day of September, A. D. 1942.

SOME kind of arrangement
should be made so that Grayling
fire-fighting apparatus could re-
spond to fire calls outside of the
city limits. As it is now the lo-
cal department and apparatus
are insured against any indem-
nity within the limits of the city
and there be an accident, and
possibly someone be killed or
seriously injured, the insurance
would not protect the city from
liability. There is much valu-
able property adjacent to the
city, such as valuable industries,
cottages at our lakes and rivers
and homes. While our fire de-
partment has responded many
times in such emergencies, still
one may easily sense the chances
that the firemen and the city are
taking. The city has a substan-
tial amount of money invested in
fire-fighting apparatus; while the
men of the volunteer fire depart-
ment receive but little pay, still
it adds up to quite a lot for the
taxpayer to shoulder. It does
seem that, at least within the li-
mits of Grayling township, some
method of co-operative mainte-
nance might be arranged for pro-
tection against fires. Insurance
coverage could be had that would
remedy the present limited pro-
tection and be of mutual pro-
tection to a large area of valuable
property. Of course additional
apparatus would have to be ac-
quired so that in cases where the
apparatus were outside of the
city, that still there would be suf-
ficient protection here should
more than one fire develop at the
same time. We believe this
would meet the approval of all
to whom it may concern.

Scrap will be king for 14 days,
starting Oct. 4.

It's the Michigan newspapers' scrap drive, a state-wide cam-
paign endorsed by the War Pro-
duction Board, the Office of War
Information, the State Salvage
Director and the Michigan Coun-
cil of Defense.

Before snow flies, every avail-
able piece of scrap metal in Mich-
igan must be collected and sent
on its way. That's the "must"
assignment from Uncle Sam, and
Michigan newspapers intend to
make good on their 1942 slogan:
"All Out for Victory."

Local salvage committees, who
have been in the job for many
months, will be given front page
support. Michigan school chil-
dren are going to canvass homes.
Junior Rangers with a "com-
mand" order to solicit scrap from
every household and to arrange
for its placing at the curb or at
a central Victory Scrap Bank.

For communities where scrap
campaigns have already been
held, the newspapers' drive will
be a "clean-up" effort to get the
last bit of metal from out of cov-
er before winter sets in.

Millions of pounds of valuable
metal, urgently needed for pro-
duction of MORE tanks, MORE
airplanes, and MORE shells, are
going to be made available to
war plants this winter.

Read your home newspaper for
details!

"Don't let George do it," stated
W. S. Gilmore, editor, Detroit
News, who is state chairman for
the scrap push. "This is the
most important job Michigan can
do in the next few weeks. Mich-
igan war plants are not running
at capacity, and one reason is
that the steel mills cannot get
enough scrap metal to make the
steel that is necessary."

"Why can't the mills get the
scrap metal?"

"Because the farms and attics
and basements and back yards in
this country have millions of tons
of scrap metal. The average
American—you and me—we've
haven't taken the trouble to turn
it in to the government. This war
is the people's war, and the
people must win it by personal
participation in urgent needs of
this type."

"The newspapers of Michigan
have been asked by Washington
to do a job. We intend to bring
the message of scrap metal to ev-
ery citizen in the next few weeks.
We know the people of Michigan
will do their part."

Automobile graveyards, under
the WPB regulations, must turn
over their stock within 60 days.

So when you drive by the next
automobile wrecking yard, and
notice how the old buggies clut-
ter up the place, don't start won-
dering why somebody at some-
place doesn't get busy and do
something.

The answer is: The WPB is do-
ing something about it. There is
a steady flow of old cars into the
wrecking yards, and also cut of
them. Count on that.

Local committees may develop
to solicit donations of scrap met-
al, the proceeds of which are to
go to a local charity. A common
Illinois, Wisconsin, California
and Washington—other mem-
bers of the "big ten" that rank in
order.

Price of metal is fixed by Un-
cle Sam. Furthermore, the junk
man is needed to sort and handle
the metal prior to its shipment to
the mills.

He will be compensated for
this service on a basis which the
government believes to be fair
and reasonable. The failure of
the aluminum campaign, where
huge piles of metal remained on
town-hall lots for months, was
due in part to the government's
failure to put the junk man to
work.

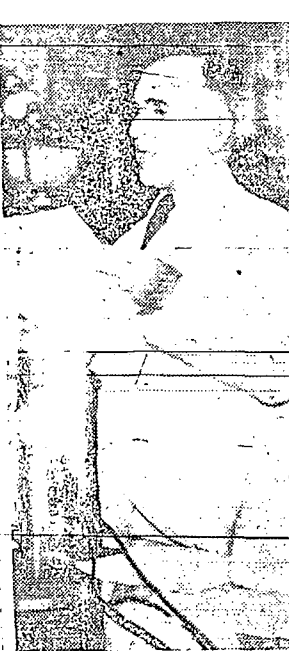

Who is going to pay for the col-
lection of scrap?

This scrap drive, supported by
the Michigan newspapers, is the
people's party.

Municipal governments and
state and county highway depart-
ments will be enlisted to give a
hand, but the task will rest with
you and me—the American peo-
ple who must win the war. The
job is too big for the govern-
ment—those people who are hired
to work for the rest of us.

It's got to be OUR JOB. The
Oct. 4-17 scrap party is going to
be democracy at the grass roots—
America with its sleeves rolled
up.

on Ship' Drill on Atlantic Convoy

At Sea . . . You are somewhere on the broad Atlantic aboard a unit
of the U. S. navy's Atlantic task force, currently doing a job of conveying.
What you are now looking at is an "abandon ship" drill, in which the
ship's personnel go through all the motions without actually going over-
side. In the background are other ships of the convoy. (Approved by
U. S. navy.)

No Special Favors!

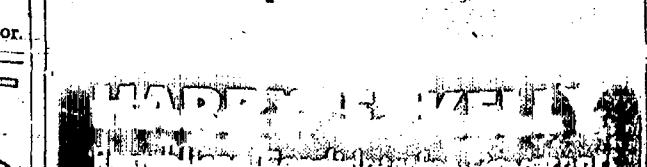

Harry F. Kelly is considerate. He is fair-
minded. He is helpful. But special favors—
at taxpayers' expense—they're OUT!

You remember the low-number automo-
bile licenses that used to go to a privileged
few. They seemed harmless—but they cost
the State of Michigan \$90,000 a year.

As Secretary of State, Kelly instituted a
UNIFORM numbering and issuing system
—eliminating "trick" licenses, giving every
automobile owner BETTER service, speed-
ing check-ups by law-enforcement officers
and saving taxpayers more than a quarter of
a million dollars.

As GOVERNOR, HARRY F. KELLY
will continue his policy:

No Special Favors!

This advertisement is one of a series sponsored
and paid for by citizens of this county to make
you better acquainted with Harry F. Kelly.

From where I sit . . .

by Joe Marsh

In the square of a little village not
far from here I came on the pret-
tiest flower garden you ever saw.

It was a lot of flowers all mixed
up—hundreds of different kinds, I
guess. So I asked a passerby if he
could tell me about it.

"Well," he says, "in this town
whenever anybody plants a flower
garden and has any seeds left,
they scatter them over this plot."

Then he leans over and pulls out
a couple of weeds. "We all have to
help pull out the weeds too," he
tells me. "That way the village has
a flower garden to be proud of."

That's about as pretty an illus-
tration of co-operation as I ever
came across. But there's plenty of
examples of co-operation and civic
spirit these days.

We were talking just yesterday
about how the brewers and the beer
distributors are working together
and co-operating with law enforce-
ment authorities.

You see a lot of friendship and
fine old customs have grown up

around beer. But the weeds—well
—they've got to be pulled out, too.

Everybody has to lend a hand.
And the brewing industry is just
sensible enough to recognize that
. . . But what's more, they're do-
ing something about it.

The brewers don't want their
beer sold in the wrong kind of
places, and so they've teamed up
with the authorities in a self-
regulation program to make care-
less beer retailers "clean up or
close up," as they say.

From what I read, the plan is
working out mighty successful in
a number of states, and is spread-
ing out into others.

From where I sit, it looks like a
fine idea . . . a mighty practical ex-
ample of how honest co-operation
works out to the benefit of every-
one—the brewers, the beer retail-
ers, and us plain citizens that like
our gardens and our pleasures—
with the weeds kept out.

"Sick Man of Europe"

The Ottoman Empire was a name for the former Turkish Empire. Osman (Ottoman) I was the traditional founder of the dynasty to which his name was given. The empire which was organized in the 13th century expanded until at its height in the 16th century it reached Vienna. After the 16th century parts of it were dismembered, following every war until before the World war the nation itself came to be known as the "Sick Man of Europe."

Letters from Camp

Sept. 12, 1942.

Dear Sir:

I didn't have anything to do so I thought I would sit down and write you a few lines to let you know how everything is. Right at present everything is O. K. I hope that it keeps the way it is going.

I suppose that everybody up there is doing their bit to help. All of us boys Regulation 60-120 or Technical down here take out a bond every month so that helps out a lot.

There isn't much you can do. Once in a while you can go to town to take in a show or go to church on Sunday. But because you have to stay around your position so in case the enemy comes you will be close to your guns. I try to go to church every Sunday but there are some Sundays I can't make it.

I haven't any more to say so I will close for now and hope to hear from some of the folks up there. I will answer all letters. That is all we go to do. My address is:

Cpl. W. San Cartier, 7032554, Battery H, 82nd C. A. (AA), A. P. O. 836, care of Postmaster, New Orleans, La.

United States Naval Training Station, Great Lakes, Ill.-is.

Dear Mr. Schumann:

I am sorry I haven't written before and thanked you for the paper, but wish to do so now. I have enjoyed it very much. It is always nice to read the home town news.

My address has changed, so I will include it here.

Yours truly,
William O. Babbitt, F. C. Naval Training School (Diesel), West 73rd and Clinton Road, Brooklyn Village, Ohio, BKs 4, Co. 4, Platoon 3.

Brookley Field, Alabama

Sept. 19, 1942.

Dear Mr. Schumann and Avalanche Readers "back home":

Three months have rapidly passed since the red clay of Brookley Field first covered my stiff new shoes and matted up my "sun tan" uniform. Yes, they are a thing of the past, but the events of those twelve or more weeks will always linger as high points of my infant career in the army. Now, that we have fought the "Battle of Brookley Field" as we call it, here in the deep south, we have to pound our stakes in to new soil. This time it looks like yours truly will be finishing Sherman's march through Georgia. You guessed it. Georgia is to be my new home effective next Wednesday, September 23.

After a day which has seen enough wires and telephone calls to break the "House of Rothschild," things are in order to transfer several of us to Wellston Air Depot, Robins Field, Georgia. This is a new depot built near Macon, Georgia. It has been completed before any functions began, so will be much better than Brookley, where they are still building.

My job there will be one similar in nature to the one here, that of a co-ordinator and inspector of

training schools. The span has increased, however, since several basic schools as well as glider schools have been added to our collection of eighteen primary schools. My good fortune seems at present everything is O. K. I hope for no other job could be of more value to one from the standpoint of experience. Of course, I do not expect that Army Order 00-25-3b or Air Corp. Circular 53-1A will do many of the things I would like to do, but with so I could go back and see to many places, and be responsible for keeping them all running. One learns to understand people, to know what methods are best in getting them to do things without friction. All in all it is a great wealth to add to my quite meager collection of knowledge as hand at this ripe old age of 21.

With my room-mates leaving for overseas service, one by one, I do not feel exactly as if my part was enough, but maybe my chance will come. I do hope that when my turn comes, my duty will be ahead of a P-47 where there is a room for only one, then, if you like, no one else gets it in the "cock" but if you win, you alone are responsible. This is probably a selfish attitude, but it is only human nature for one to want to be his own boss.

Speaking of bosses, Colonel John Hugh Fite, my present superior, has been the best man could desire! He has a great job behind him, and it has been done well. His latest was setting up certain functions in South America. I had hoped to go down to a station there, but it has all fallen through, since Col. Fite isn't even going down. That's life, I guess.

As a matter of review, I might mention some of my travels. For one week in August I traveled through Mississippi and Alabama where some of the interesting points were Jackson, Mississippi, the capital, Mobile, Alabama, the Mississippi River, for the first time, Montgomery, Alabama, the capital of the confederacy and of course, the Birmingham Jail in Birmingham. Next, on the list was a 3 weeks assignment in Tuscaloosa, Alabama, the home of the State University. My duty was supervising an aircraft inspectors school being conducted there for 40 civilians. At its completion, I had to place the men at our schools, which was quite a job, if you know anything about civil service red tape. Also, I felt like John D. Rockefeller when I flew up to pay them before their departure. I was armed with a bag of money and a pistol. If Gene Autry could have seen me! While in Tuscaloosa, I met some fine southerners, including a fair damsel of the "old south." But, what can a man do in three weeks? The Phi Delta Theta house was beautiful at Alabama U. and the fellows turned out as fine hosts to a "dam yankee." The third trip on this list was for eight or nine days in Florida, my second to that fine state. It is said that once the Florida sands get into one's shoes, it never gets out—could be! This last trip was like a vacation. I went swimming at Silver Springs where many movies of under water scenery are taken. Also the St. Johns river which originates there is where the swimming scenes for "Tarzan" movies are

made. Other points on the trip included Lakeland, Arcadia, Orlando, Tampa, St. Petersburg, Clearwater, Gainesville, Lake City and Tallahassee. Sunday I was in Clearwater, which provided more copper to my already tanned back. Florida is like a battle zone, planes and army camps all over, with black-out and dim-outs, searchlights, immigration inspectors, etc. They have picked up several Germans who were supposedly landed by Subs. It is all pretty serious when one comes in contact with the situation. They wouldn't even let our army car with its battle paint go through without inspecting the trunk and under the seats and any other corners they could think of.

Well, this gets us back to Mobile, and probably takes good care of anyone that wasn't sleepy including the writer. That can mean only one thing, the end. By the time the opportunity for another resume of the private life of Lt. John H. Peterson rolls around, I hope to have some news which will make me very proud to tell.

Sincerely,
John H. Peterson,
2nd Lt. Air Corps
